Authorisation and declaration

- I confirm that all information provided on this form is correct.
- I have not received advice from the Administrator regarding this instruction.
- I confirm that my appointed financial advisor may have access to my investment details via the secure section of the Administrator's website or via a secure electronic channel at my financial advisor's request.
- I have read, understood and agree to the latest **Terms and Conditions** which I understand may have changed since my original investment and the Cession **Terms and Conditions** as noted in this application form.

Cession terms and conditions

- 27four will only note this cession once the cedent and the cessionary have completed and signed this form, returned it to 27fouradmin@prescient.co.za and complied with the **Terms and Conditions** stipulated in this form.
- 27four does not take any responsibility for and is indemnified against, any loss or damages suffered by any party, due to any breach of the **Terms and Conditions** and/or 27four acting in accordance with this notice.
- 27four may provide any information about the ceded portion of the investment to the cessionary.
- 27four is not a party to the cession agreement between the cedent and the cessionary and does not ask for or keep copies of the cession contract between the cedent and the cessionary.

- 27four will not interpret the agreement between the cedent and the cessionary and bears no responsibility for the validity, enforceability or any other matter arising from the cession.
- 27four notes a security cession by restricting the cedent from transacting on the units indicated on this form.
- If 27four receives a request to note a cession for a rand amount, the rand amount will be converted to the equivalent number of units at that time.
- After 27four notes the cession, the units will be priced at the latest available price. The **Terms and Conditions** applicable to the investment continue to apply.
- Should the market value of the ceded units, as per the original cession agreement between the cedent and cessionary, fall below the cessionary's required value, it is the cedent's responsibility to ensure that:
 - additional units are placed with 27four and
 - a cession is noted over these units
- 27four will not be responsible to any party for any shortfalls in the market value of the ceded units. 27four does not guarantee investment returns.
- The value of units may fluctuate due to market conditions. Past performance is not necessarily a guide to future performance. Where applicable, financial adviser fees will continue to be deducted from the investment, unless otherwise instructed by the cedent. This may reduce the number of units ceded and, as a result, the total value of the cession.
- As long as the cession remains in force, the cedent may not withdraw, transfer or switch the ceded units without written consent from the cessionary.
- If the cessionary agrees to a transaction, the cedent and cessionary will need to complete the documents required by 27four for the transaction to be processed.
- Should the cessionary request that the ceded units be withdrawn, 27four is obliged to sell the ceded units and pay the cessionary the amount required under this cession.
- 27four is not required to notify the cedent or obtain the cedent's consent beforehand. Any payments made by 27four will be subject to 27four's internal requirements and procedures.
- Transactions on ceded units will take longer than the standard turnaround times specified in the **Terms and Conditions** applicable to the investment.
- 27four requires written consent from the cessionary to remove the note of cession from the investment.
